A CAREER THIEF GONE BAD. Brandon Vale is the best burglar in the business. Or was, since he was framed for a botched job that landed him in prison. But one night he's broken out by Richard Scanlon, the now-retired FBI agent who put him there in the first place. B AN EX-CON TRYING TO MAKE GOOD. Scanlon has uncovered a plot involving a Ukrainian crime organization and the auction of a dozen nuclear warheads. But he can't convince the government that the \$200-million sale isn't a hoax. So he must find a way to take care of business himself--with Brandon's help. B THIS TIME, THE STAKES ARE HIGHER THAN EVER.... Now it's up to Brandon to pull off a Las Vegas heist that will help Scanlon cough up the cash and get the warheads off the market. With millions of lives in the balance, and dirty deeds and double-crosses in the works, it all depends on one man to do the one thing he knows best: Beat the enemy at its own game. B "One of the world's master storytellers... Mills keeps readers breathless, transfixed, and turning the pages."--Tulsa World
